Description

The upcoming edition of Plastics & Rubber Vietnam continues the upward climb as Vietnam's most prominent event for the plastics and rubber manufacturing technologies sectors. The International Plastics and Rubber Technologies and Materials Exhibition, Plastics & Rubber Vietnam, returns to Hanoi from **25 - 27 July 2023**. Showcasing a comprehensive range of global technologies and equipment, plastics and rubber products, including semi-finished products to technical parts, production materials and services catered for the revitalised co-related plastics and rubber industries in Vietnam and the region. In 2023, Plastics & Rubber Vietnam, Hanoi 2023 will be co-located with HVACR Vietnam 2023 for the first time to provide a wider buyer portfolio from plastics & rubber to HVAC, Smart Building Technology industry.

Social Media Post 1: SAVE THE DATE

#savethedate! The dedicated event for Vietnam's plastics & rubber industry – **Plastics & Rubber Vietnam, Hanoi 2023** makes its return to Hanoi on **25 – 27 July 2023** at International Center for Exhibition (ICE). The event is jointly organised by @Informa Markets and @ Messe Düsseldorf Asia, in partnership with Vietnam Plastics Association (VPA) for conference programme to provide insightful conferences. This is our chance to participate in the international-scale event with the showcase from 200+ exhibitors on a space of 3,300 sqm. Beside the exhibition, Plastics & Rubber Vietnam, Hanoi 2023 also provides a series of conference conducted by leading experts to deliver strategy information from national government to contribute to a #circulareconomy.
